

Coffee with the CEO

On December 4th, and within the framework of the program "Coffee with the CEO", which aims to enhance the functional link in the company, Acting CEO Mr. Ibrahim Al-Musaiteer met with a group of employees from various departments last year in the presence of the working relations acting team leader Mr. Khaled Mohammed Al-Ajmi.

The meeting was attended by Mr. Waleed Al Abd Al-Hadi, Assistant Director of Networks, and Mr. Mohammed Al-Dosari, Assistant Analyst of Engineering, Safety, Comprehensive Services, and Assistant Analyst, Mr. Ahmed Nadom of the Department of Aromatics Development.

The meeting was categorized as a positive and spontaneous meeting, where the employees exchanged information regarding working conditions and answering questions. Al-Musaitir pointed out during the meeting that the company has great interest in the human element and its vital role in achieving the company's objectives and strategy. The management of the company makes every effort to develop the capabilities of the workers and improve their abilities to fulfill their responsibilities. He also stressed that these meetings between the CEO and employees should continue to build stronger links with senior management and build a superb and positive work environment.
