

Visiting NBK Children's Hospital

Communication and Services Department visited the National Bank of Kuwait Hospital for Children, where gifts, flowers, and well wishes were distributed amongst the patients.

"This visit took place on the occasion of World Cancer Day, which falls on February 4th of each year to instill joy in the hearts of sick children and alleviate them from their sufferings", said Senior Media Administrator Sally Al-Khadraa.

Al-Khadraa explained that the company effortlessly promotes noble values and social responsibility towards the local community in all its categories.

At the end of the visit, the company delegation presented a commemorative shield to the Assistant Director of Hospital Affairs, Mr. Fawaz Al-Thafiri, who in turn acknowledged the company for this initiative and for taking care of sick children and bringing joy to them.
