

## Participation in the Annual Open Forum for Leaders in Oil Companies

The CEO of the Kuwait Petroleum Corporation (KPC), Mr. Mohammed Al-Farhoud, participated in the annual meeting of the Oil Leaders 2017/2018 held this year. That is, the meeting was held by Kuwait Integrated Petroleum Industries Company (KIPIC) in its headquarters in Al-Zour under the slogan "We work in harmony to shape the future of Kuwait", in the presence of Mr. Nizar Al-Adassan and other leaders in the oil companies.

During the forum, presented were achievements of the previous phase and the ambitious aspirations of the sector for the financial year 2018/2019, to transform the new vision of Kuwait into reality and support the development plan of the State of Kuwait. Following the forum, the oil leaders had an orientation tour at the field to follow up with the latest developments accomplished by the projects at Al-Zour oil complex.
