

## KPC's CEO Visits Canada Kuwait Petrochemical Company

The Chief Executive Officer of Kuwait Petroleum Corporation (KPC), Mr. Hashim Hashim, visited Canada Kuwait Petrochemical Company (CKPC) to review the latest progress on the joint venture between Petrochemical Industries Company (PIC) and Pembina Pipeline Corporation (Pembina), a Canadian company. During the visit, Mr. Hashim met with the employees seconded from PIC and urged them to exert more efforts towards implementing the project according to the approved plan.

On the other hand, Mr. Hashim Hashim, the KPC's CEO, Mr. Mutlaq Al-Azmi, PIC's CEO, Eng. Nadia Al-Hajji, Deputy CEO for Projects and Business Development, Eng. Hamad Al-Subaie, Deputy CEO for Manufacturing and Marketing, and Dr. Salman Al-Ajmi, Manager of Major Projects visited the Governor of Alberta, a Canadian province in which the project is based, in the presence of Canada Minister of Energy, Minister of Economy, and Minister of Finance. Their visit was highly welcomed and appreciated by the Canadian party who announced their support to the success of KPC projects in Canada.
