

## The First Youth Event for Oil Sector Engineers

A number of engineers from PIC and oil associates as well as from the Kingdom of Bahrain participated in the First Youth Event for Oil Sector Engineers at the local and regional level, within the activities of Kuwait's 2<sup>nd</sup> International Conference on Hydrogen Treatment of Oil which was held under the auspices of CEO of Kuwait Petroleum Corporation, Mr. Hashem Hashem on November 2019.

The program included mentoring sessions in addition to a roundtable discussion with the participation of PIC's CEO, Eng. Mutlaq Al-Azmi, Deputy CEO for Projects and Business Development, Eng. Nadia Al-Hajji, a number of oil leaders from oil associates, and Bapco from Bahrain.
