

## PIC Holds the 15<sup>th</sup> Training Course in Six Sigma Methodology

In collaboration with SSA&Co, the first week of Six Sigma 15<sup>th</sup> Training Course was successfully held during the period 27 – 31 October, 2019 at Bubyang Club for the employees to obtain Lean Six Sigma Green Belt. The Course was characterized by the participants' large number and diversity, based on the instructions of the PIC's management to disseminate and circulate the application of Six Sigma methodology in our Company and oil associates, as most of the associate companies were invited to attend and benefit from the training course. Indeed, the total number of participants was 25 trainees; 15 trainee from different PIC's departments and 10 trainees from oil sector.
